

Exhibition Proposal

Event Name:

"Dreams and Reality: Dual Perspectives of Art"

Exhibition Description:

"Dreams and Reality: Dual Perspectives of Art" is an exhibition that brings together diverse works by contemporary artists, focusing on the intersection and reconstruction of art, dreams, and the real world. The exhibition features works in various forms, from painting and installation art to digital art, each expressing the artist's questioning of the real world and boundless imagination of dreams. The aim is to offer the audience a sensory journey beyond the ordinary and explore the boundaries between dreams and reality.
